## TARLTON NOTICE 2/2011

### Street Car Competitors Please Note:

Factory Street, Modified Street 8+6 and Modified Street 4 may compete with a National or Club License. (Re: There will be two (2) Elimination Rounds run for each Category, NL. One (1) for CLUB and one (1) for NATIONAL.)

The Competitors with a National License may compete in both and the Competitors with Club Licenses may only run in the CLUB Elimination. The 'NATIONAL' Elimination will run 1<sup>st</sup> and once the 'NATIONAL' Elimination is completed, the 'CLUB' Elimination will start.

In qualifying, all the cars will qualify together, but we will be able to sort/rank them separate for 1<sup>st</sup> rounds as we then know who has National Licenses and who has Club Licenses.
